

International Baccalaureate Program Informational Meeting for Parents and Students

Students and parents of highly-motivated eighth grade students at Celebration School are encouraged to attend an informational meeting outlining the IB requirements, the program features and advantages, the application and selection process, and the rigorous curriculum.

The International Baccalaureate Program is designed as an academically challenging and balanced program of education that prepares students for success at the university level and beyond.

Highlights of IB

- ◆ Strong international dimension
- ◆ Involves study across a broad range of subjects
- ◆ Focuses on developing the skills of learning
- ◆ Provides opportunities for individual and collaborative planning and research
- ◆ Encourages students to become responsible members of the community
